

Title: Parking – Patients & Visitors	
Manual: Management	Section: General
Document Number:	Issuing Authority: Board of Directors
Date Issued: October 1997	Date Revised: February 2015

PURPOSE:

An outline of available parking for patients and visitors.

POLICY STATEMENT:

Parking areas are provided in locations adjacent to the Hospital.

Vehicles must not be left for more than twenty-four (24) consecutive hours. The Hospital will not be held liable for damage or theft.

Parking charges are established by the Hospital and are subject to change.

The Hospital reserves the right to tag and/or tow away improperly parked vehicles. Areas marked no parking are monitored by Brantford City Police and Hospital Security and may be ticketed.

For **out-patients** who frequently visit the Hospital a temporary parking pass is available from the pay stations for weekly or monthly rates.

The hospital also offers a discounted/exception rate to both Oncology, Dialysis or Palliative patients and/or their families who often visit on a daily basis. These details can be obtained at the business office between 8am and 4pm week days.

Disabled parking spots are available in parking Lot 'C' on the left side upon entering the lot as well as in the parking garage.
