

Temporary Closure of D-Wing Entrance at Brantford General Hospital

On **Saturday, November 11th**, the D-Wing entrance at Brantford General Hospital will be **closed** to allow for crane work from **approximately 8:00 a.m. until 4:00 p.m.**

No vehicles or pedestrians will be able to access the D-Wing entrance while this work is being completed; all visitors are asked to come through the hospital's main entrance (located in A-Wing) during that time. The D-Wing entrance will be accessible after 4:00 p.m.

The parking garage will be accessible for entry and exit via Lawrence Street. Parking will also be available in "B" and "C" parking lots (please see map below).

Signage will be posted from the main entrance directing to the after-hours clinic to alleviate the impact for patients and visitors.

Thank you for your cooperation.
