Brant Community Healthcare System

Brantford, ON

Brant Community Healthcare System (BCHS) is a 300+ bed acute care facility boasting stable, state-of-the-art Programs within a team environment and with a dedicated staff that ensures high-level, patient-focused care. The organization comprises of two main hospital sites, the Brantford General Hospital and Willett Hospital. Located in the picturesque Grand River Valley 20 minutes west of Hamilton, our community offers outstanding recreational opportunities.

BCHS is the area's acute care facility, providing all of Brantford and Brant County's specialty programs and services for our 120,000+ residents and boasts stable, state-of-the-art programs within a team environment that ensures high level patient-focused care. It is a regional centre for a variety of services including surgical services.

Our Anesthesiology Department provides coverage for a variety of work at the Brantford General Hospital both in and outside of the Operating Rooms. The Anesthesiologists provide care of patients in a variety of surgical specialties including general surgery, urology, orthopedics, gynecology, endoscopy along with some pediatrics and ENT. Our Brantford General Hospital (BGH) site supports obstetrical care for an average of 1500 deliveries per year. We aim to have a department that promotes a good work-life balance with a flexible work schedule.

We are currently seeking **full time permanent, Associate Anesthesiologists** to join our Anesthesiology Department. They will be practicing as a part of a group of 14 anesthesiologist providing anesthesia services at the Brantford General Hospital.
