

Internal Medicine Opportunities

Brant Community Healthcare System

Brant Community Healthcare System (BCHS) is a 260-bed acute care facility boasting stable, state-of-the-art Programs within a team environment and with a dedicated staff that ensures high-level, patient-focused care. The organization comprises of two main hospital sites, the Brantford General Hospital and Willet Hospital. Located in the picturesque Grand River Valley 20 minutes west of Hamilton, our community offers outstanding recreational opportunities.

BCHS is the area's acute care facility, providing all of Brantford and Brant County's specialty programs and services for our 120,000+ residents and boasts stable, state-of-the-art programs within a team environment that ensures high level patient-focused care. We are a regional centre for a variety of services including surgical services. The Department of Medicine is comprised of a number of divisions including General Internal Medicine, Critical Care, Psychiatry, Oncology, and Nephrology.

The Department of Medicine at the Brant Community Healthcare System is currently recruiting general internist(s) to join the expanding department. This opportunity includes both inpatient work as a hospital based internist (HBI) on the internal medicine unit, along with work in our newly created Internal Medicine Rapid Access Clinic (IMRAC). The IMRAC will run Monday to Friday, from 9:00 AM to 4:00 PM with one physician scheduled per day. Physicians working in the clinic will also be expected to participate regularly in general internal medicine after-hours call (approximately 1 in 13 days).

The ideal candidate will have independent practice license from the College of Physicians and Surgeons of Ontario and Internal Medicine certification with the Royal College of Physicians and Surgeons. We are looking for individuals with exceptional interpersonal and collaborative skills, and a dedication to service excellence. They should also be a strong team player to work effectively with physicians, nursing, staff, patients, managers and the community with a commitment to medical education.

BCHS serves a high population of indigenous persons in the region therefore culturally appropriate care for indigenous patients is a priority to the organization. Physicians with experience and an interest in caring for indigenous persons are encouraged to apply.

Interested candidates should submit their letters of interest and curriculum vitae to:
