Custom made boots or shoes means footwear used by an individual whose condition cannot be accommodated by existing footwear products. The fabrication of the footwear involves making a unique cast of the covered person's feet and the use of 100% raw materials. (This footwear is used to accommodate the bony and structural abnormalities of the feet and lower legs resulting from trauma, disease or congenital deformities.)

Submitting Claims

Claim forms, including Pre-Authorization forms, and valuable claims submission information, is available greenshield.ca.

Please note that in addition to a completed claim form, claims reimbursement requires the original itemized paid receipt **(cash receipts or credit card receipts alone are not acceptable)**.

When GSC is identified as a secondary carrier, submit the original Explanation of Benefits statement from the primary carrier and a copy of the claim form in order to receive any balances owing.

All claims must be received by GSC no later than 12 months from the date the eligible benefit was incurred.

Reimbursement

Reimbursement will be made by one of the following methods:

- a) Direct deposit to your personal bank account, when requested;
- b) A reimbursement cheque; or
- c) Direct payment to the provider of services, where applicable.

All dollar maximums and limitations stated are expressed in Canadian dollars. Reimbursement will be made in Canadian or U.S. funds for both providers and plan members, based on the country of the payee.

Subrogation

GSC retains the right of subrogation of benefits. This means if GSC paid benefits on behalf of you or your dependent, but the benefits either should have been paid or are subsequently paid or provided, in whole or in part, by a third party liability or other coverage(s), GSC has the right to recover such payment or reimbursement. In cases of third party liability, you must advise your lawyer of our subrogation rights.

Co-ordination of Benefits (COB)

If you are covered for extended health and dental benefits under more than one plan, your benefits under this plan will be coordinated with the other plan so that you may be reimbursed up to 100% of the eligible expense incurred.

Claims must be submitted to the primary payer first. Any unpaid balances should then be submitted to the secondary plan(s). Use the following guidelines to identify the primary and secondary plans:

GSC Plan Member

GSC coverage for you is always primary. If you are the plan member under two group plans, priority goes in the following order:

- The plan where you are a full-time plan member
- The plan where you are a part-time plan member
- The plan where you are a retiree

Spouse

If your spouse is a plan member under another benefit plan, this GSC coverage is always secondary. Your spouse must first submit claims to his/her benefit plan.

Children

When dependent children are covered under both your GSC plan and your spouse's benefit plan, use the following order to determine where to submit the claims:

- The plan of the parent whose birth date (month and day) occurs earliest in the calendar year
- The plan of the parent whose first name begins with the earlier letter of the alphabet, if the parents have the same birth date
- In cases of separation or divorce with multiple benefit plans for the children, the following order applies:
 - The benefit plan of the parent who has custody of the dependent child
 - The plan of the spouse of the parent who has custody of the dependent child
 - The plan of the parent who does not have custody of the dependent child
 - The plan of the spouse of the parent who does not have custody of the dependent child

If the parents have joint custody and both have the children listed as dependents under their plans, claims should first be submitted to the plan of the parent whose birth date (month and day) occurs earliest in the calendar year. Balances can then be submitted to the other parent's plan.

When GSC is identified as a secondary carrier, submit the original Explanation of Benefits statement from the primary carrier and a copy of the claim form in order to receive any balances owing.
