

# WISHING YOU A JOYFUL AND REFLECTIVE EASTER SEASON

Easter is a deeply sacred time for Christians around the world. It commemorates the resurrection of Jesus Christ, a moment of profound spiritual significance that symbolizes rebirth, renewal, and the power of hope. As the holiest day in the Christian calendar, Easter invites reflection on values such as compassion, forgiveness, and caring for those most vulnerable.

This year, Easter will be celebrated on Sunday, April 20, 2025, with the Easter weekend beginning on Good Friday, April 18, and continuing through Easter Monday, April 21. Uniquely, both Western and Orthodox Christian traditions will observe Easter on the same day this year, a rare moment of shared celebration across denominations.

While Easter is rooted in Christian faith, it is also a time when many gather with loved ones, attend spiritual services, share meals, and embrace the joy of spring. Whether you spend the weekend in quiet reflection, partaking in family traditions, or simply enjoying time with those closest to you, Easter offers a reminder of renewal, connection, and the strength found in community.

At BCHS, we recognize and honour the spiritual and cultural traditions that shape our diverse workplace. For all those observing, we wish you a peaceful, joyful, and meaningful Easter.
